

Corporate Events

Impress your guests at your next corporate event with *Wet* as your choice of entertainment.

Wet offers a wide variety of wholesome and alluring performances for convention related parties, fundraisers, conferences and other poolside business functions. A *Wet* synchronized swimming show will be your business event's highlight!

Allow your guests to experience a Las Vegas show without the hassle of purchasing tickets, or sharing a venue. The entertainment will come to you, and you can customize it to fit your organization's culture. Let your guests reminisce with an old Hollywood water ballet-themed performance, or liven things up with a contemporary vibe!

For large-scale functions, *Wet* can provide anywhere from 2 to 20 performers. Routines can be split into separate, simultaneous sets, or can be consecutive. We swim year-round in every pool shape, size and depth. We can also serve drinks and refreshments, great guests, and provide atmosphere as additional services. And we love posing for pictures, with or without guests! Whatever your request, *Wet* will make your function memorable.
